SearchAmerica Promotes Tina Eller to Vice President of Revenue Cycle Services

Minneapolis, Minn., November 3, 2008 – SearchAmerica, the Software-as-a-Service (SaaS) leader in financially clearing patients for the healthcare industry, today announced the promotion of Tina Eller to Vice President of Revenue Cycle Services.

SearchAmerica has grown rapidly over the last few years and her expanded new role will enable the company to place concentrated efforts on customer support and operations.

“We are pleased to promote Ms. Eller for the second time this year,” said Daniel Johnson, President and CEO of SearchAmerica. “Her leadership and expertise has been invaluable to our rapidly growing client base.”

In her new role as Vice President of Revenue Cycle Services at SearchAmerica, Eller brings more than 15 years of experience working at healthcare providers. Her expertise is in helping hospitals drive a return on their investment from state of the art revenue cycle solutions. She is a frequent speaker at healthcare forums as well as author to numerous national and regional healthcare publications on revenue cycle best practices, overcoming industry challenges, and measuring ROI.

About SearchAmerica, Inc.

SearchAmerica leads the healthcare industry in providing Software-as-a-Service (SaaS) financial clearing solutions that enable hospitals to verify patient addresses, predict payment, and automatically screen for charity, Medicaid, and other government programs. The company provides a complete range of proven SaaS solutions and professional services that are used by more than 1,000 hospitals to improve their revenue cycles, protect against identity theft, and rapidly comply with new government regulations such as the FTC’s Red Flag Rules and the new IRS 990 Schedule H. SearchAmerica’s quality and accuracy is best in class, and healthcare providers benefit from smarter data which produces a healthier bottom line. Documented case studies prove a significant return on investment, consistent with favorable public relations.
